

INTELLECTUAL PROPERTY ASSIGNMENT

Localization / Translation Services

1. Parties

This Intellectual Property Assignment ("Assignment") is entered into between [Client Name] ("Client") and [Contractor Name] ("Contractor").

2. Work Product

The Contractor agrees that all translations, localized text, terminology, linguistic assets, adaptation, transcreation, comments, QA reports and other deliverables created under the applicable project constitute the Work Product.

3. Assignment of Rights

Upon Client's full payment of all agreed fees, the Contractor irrevocably assigns to the Client all worldwide intellectual property rights, including copyright and all economic rights, in the Work Product to the extent permitted by applicable law.

4. Pre-existing Materials

The Contractor retains ownership of pre-existing tools, know-how, templates and general linguistic expertise not specifically created for the project. No ownership of such materials is transferred unless expressly agreed in writing.

5. Moral Rights

Where permitted by applicable law, the Contractor waives or agrees not to assert moral rights against the Client to the extent necessary for the Client to use, modify, publish and distribute the Work Product.

6. Further Assurances

The Contractor agrees to execute additional documents reasonably necessary to confirm or perfect the transfer of rights.

7. Governing Law

This Assignment shall be governed by the law agreed by the parties in the applicable Agreement or Statement of Work.
